Understand and respond to spoken and written language from a variety of authentic sources: songs on Youtube, listening activities made by native speakers in school, timetables from Spanish schools, maps of Spanish cities.

Speak with increasing confidence, fluency and spontaneity: all students encouraged to use TL classroom phrases, speaking tasks based on style of GCSE assessment, increased emphasis on peer speaking activities.

Write at varying length, for different purposes, using a variety of grammatical structures: students begin to conjugate verbs in the present tense, express opinions and build vocabulary in lessons and independently. Students can use basic opinion phrases and begin to justify their opinions. Students can begin to use a variety of verbs in the 3rd person to talk about their wider life.

Discover and develop and appreciation of a range of writing in the language studied: students will look at letters, blogs, songs and poems on each term’s topic. Towards the end of TERM 2 students can look at an authentic text (children’s story).

>Something More?

Curriculums at BSS are designed to nurture not only intellectual and physical development but also the spiritual growth of students. This will be through:

- Reflect on experiences of Spain/France and Hispanophone/Francophone countries.
- Inspire awe through differences in ways of life.
- Encourage creative expression.
- Reflecting on personal experiences.
- Immerse students in learning and evoke wonder through exposure to real life scenarios.
- Fostering a sense of belonging and interconnectedness with others, the world and the universe.

How does our curriculum do >Something More?

- KS3 MFL:
- Reflect on personal experiences and foster a sense of belonging and interconnectedness with others, the world and the universe. Inspire awe through differences in ways of life
 - ✓ **Introducing students to real life scenarios and comparing life in the UK and other countries across a variety of topics such as school, family units, food and drink and festivals. Encouraging students to reflect and compare experiences of different ways of life from how people greet each other, to different relationships and jobs.**
 - Using hands-on activities, field trips and authentic materials to immerse students in learning and evoke wonder.
 - ✓ **Y9 trip to France or Spain – students have the opportunity to experience first hand the culture of the language of study, eat authentic food, visit important historical sites and take part in local festivities and activities. Students are also exposed to a variety of film, literature and music to help broaden their horizons, find new interests and foster a sense of interconnectedness with the country of study.**
 - Encourage creative expression:
 - ✓ **Students are encouraged to use their creative abilities to design, for example, their own family tree, restaurant menus, Christmas cards, school or uniform designs.**
