

Bishop Stopford School

Week Ending: 24th July 2026

NEWSLETTER

Thursday 13th August

A Level Results Day

Reception staffed from 8am-2pm on 13 and 14 August

Thursday 20th August

GCSE Results Day

Reception staffed from 8am-2pm on 20 and 21 August

Thursday 3rd September

School reopens for Years 7, 10 & 12

Friday 4th September

Whole school returns

September School Uniform

School returns to normal uniform or can wear their summer uniform to 30 September.

**First Week Back:
Week A**

End of Year

#BestOfBishop

As we come to our final week, we have enjoyed Celebration Assemblies, Sports Day and times of reflection and enjoyment.

Looking back over the whole year, it is great to recognise the many, many successes which have happened.

In February, we had our incredible SIAMS inspection as a Church of England School, and we will be presented with an Excellence Award for our work in this area from the Diocese of Peterborough in the new academic year.

Then there's been sporting prowess, musical talent in abundance, liaison with the Royal Shakespeare Company, talent on show in Science and Maths and a Super-Curricular Week of immense proportions: what a year!

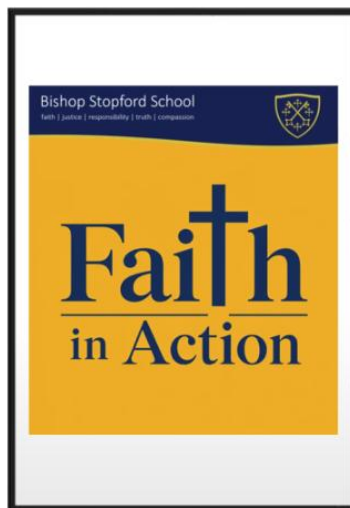

Some of our amazing staff will be leaving us this week and we wish them all the very best in their next adventures: Mrs Armstrong, Miss Cave, Mr Croft, Mrs Fitzpatrick, Miss Horncastle, Mrs King, Mrs Pointer, Mr Smith (First Aid), Mrs Smith (Finance), Mrs Starr.

As we move into the summer holiday, we should be grateful for all we've achieved and for our wonderful community which has responded to well to both joys and sorrows right up to our last day. We wish everyone a safe and restful break.

Miss Silverthorne

We are a Church of England School

It is my joy to share a few snippets of feedback from those who were blessed by our Faith in Action!

"All of them are exceptional human beings and it was an absolute joy to see that they really do live out our school values."

There are so many groups and individuals who make our Faith in Action days possible. We are so grateful for all the many opportunities and experiences made available to our Year 8s, allowing our young people to step out into a different space and to see what it looks like to serve. For some, this can be life-changing and for many, eye-opening.

Our thanks go to the following:

- Country View Nursing Home, Warkton
- Hermitage House, Thrapston
- Kettering Street Pastors
- Little Hands Toddler Group, St Andrews Church
- Make and Natter, St Andrews Church
- Souster Youth, Thrapston
- St Anne's Care Home
- St Botolph's Church, Barton Seagrave
- St Mary's Under Fives, Burton Latimer
- St Peter and St Pauls' Food Kitchen
- The Chapel Gym, Corby
- The Diocese of Peterborough
- The Kettering Food Bank
- Alaric Childerhouse (Volunteer group lead)
- Fay Rowland (Volunteer project lead)
- Louise Jenkinson (Art project lead)
- Robert Dixon (Volunteer gardener)

Mrs Hutchinson

"The smiles on the residents' faces said it more than I can even describe. We would love to have you back." - Country View Nursing Home

"It was a true delight to have them come and help us. They worked really hard all day setting out tables and chairs; preparing 98 rounds of cheese sandwiches; packing the 118 packed lunch bags; preparing 59 pots of fruit salad and then, finally, helping us cook 8 kilos of pasta, mix it with pesto, add cheese and then box it in takeaway packs for the hot meal last Thursday.

They were very polite and were a real credit to you and the school." - St Peter & St Paul's Food Kitchen

"This was truly Compassion to a T!" - Parent

"All of them threw themselves into organising food bank collections with gusto. Every job, they wanted to help with!" - Food Bank Collection

"They were a credit to Bishop Stopford School, every single one of them." - SMUFS Toddler Group

"How beautifully they engaged with the residents at Hermitage House." - Souster Youth

Core Values in Action

Our Core Values in Action awards recognise students for embodying our School's values in their local communities. We always love to celebrate their contributions which represent our school so well.

Well done to the following students who were a great help in clearing out a lab which is being refurbished over the summer. The boys were incredibly helpful and saved teachers and technicians a lot of time.

Freddie Mobbs
Alwin Abraham
Josh George
Derek Enebeli

Mrs Peach

Safe Space

As the school year finishes, many families are looking forward to a restful time off. However, this can also be a challenging time financially and emotionally.

To support families, the government has launched the Great British Summer Savings scheme - information found here: [Great British Summer Savings: VAT slashed to save families money on days out - GOV.UK](#). In addition, many restaurants and cafes continuing their reductions on children's meals, the details of which can be found in the image.

Local and national mental health services will continue to provide support throughout the summer break. The 'Hub of Hope' is a mental health support directory which can help people navigate to the right support for them: Mental Health Support Network provided by Chasing the Stigma | Hub of hope

We wish you a safe and restful summer break and look forward to welcoming families back in September.

Mrs Smith

Free Bus Travel for Under-16s

Young people across England can enjoy free bus travel during August. The initiative is part of the Government's nationwide 'Great British Summer Savings' scheme which aims to cut the cost of family days out, reduce local traffic, and help young people explore their local area independently.

There are no complicated forms to fill out, no apps to download, and no physical bus passes required. Young people can simply hop on board any participating local bus and state their destination to the driver.

While adults do not travel for free, single adult fares across the region remain capped at a maximum of £3, making family trips highly affordable.

North Northamptonshire Council has commissioned Brightwayz to create a video to help students and families, plan and take bus trips in a safe and confident way: <https://youtu.be/z893vdRt1aY>

Miss Silverthorne

**PLACES KIDS EAT FREE (OR FOR £1) SUMMER HOLIDAYS 2026**

School Walk

Our amazing School Walk took place last Friday, on a beautiful day.

Students and staff walked to Isham Cricket Club where they had lunch before returning to school. It is an incredible event, with all of us walking together.

We were so proud our students' behaviour throughout – and also for the money they have raised. There is still time to give via our [JustGiving](#) page. So far, we have raised an amazing £2393.00 – this will go towards an additional covered area for students.

Miss Silverthorne

Pre-Loved Uniform

Following the success of our Pre-loved Uniform Sale at the Year 6 into 7 Parents' Evening earlier this month, we are welcoming new donations!

While we gratefully receive all branded uniform items, we are currently running very low on specific stock. Do you have any of the following items looking for a new home?

- **Blue sweatshirts** (Sizes: Small & Medium)
- **PE Kit** (All sizes needed)

How to donate

Please drop any good quality, unwanted items off at Reception from the week commencing **7th September**.

All items are washed and resold for **£3.00** each. We have raised over £1,000 this year and funds will be donated to the Bishop Fund, which is used to support students whose families are finding financial times hard. Thank you for your ongoing support.

Mrs Wood

International Sporting Colours

We were delighted this week to have a visit from William Howes. William finished his A Levels, then went off immediately to the States to train as part of their Under-19 rugby squad.

They left Miami for South America, playing games in Uruguay and Argentina. Will returned injury-free!

Will scored his first international try on tour – an amazing achievement, and a moment he will never forget.

He generously brought in a signed USA rugby shirt for us, which we will treasure. We wish him all the very best as he moves on with his studies, but also his rugby. He starts pre-season training at Loughborough in just two weeks' time!

We will watch his career with great interest.

Miss Silverthorne

Culture Days: Super-Curricular Week

Celebrating Identity, Diversity and Belonging

Our Year 7 and Year 8 Cultural Celebration Days were an immense success, providing students with a vibrant and inspiring opportunity to explore the rich diversity which makes up our school community. The events were filled with energy, creativity and meaningful conversations, helping all of our Year 7 and 8 students to develop a deeper understanding of identity, culture, belonging and the importance of celebrating difference.

Throughout the day, students immersed themselves in a wide range of engaging workshops and activities. The uplifting rhythms of African drumming brought students together through music and shared experience, while energetic Bhangra and Bollywood dance sessions encouraged students to embrace cultural traditions through movement and performance. Creative art workshops invited students to reflect on their own identities and express what makes them unique, while sessions exploring the role of fashion in shaping culture highlighted the powerful ways in which clothing can communicate heritage, values and self-expression.

Students participated in thought-provoking discussions examining stereotypes, prejudice and some of the challenges facing modern society. These workshops encouraged young people to think critically about the purpose and significance of cultural celebrations, helping them to understand that events such as these are not simply about recognising differences, but about fostering respect, empathy, understanding and inclusion. The atmosphere throughout both days was one of joy, curiosity and community. Students embraced every opportunity to learn from one another, celebrate their own backgrounds and gain a greater appreciation of the diverse experiences and cultures represented within our school and beyond.

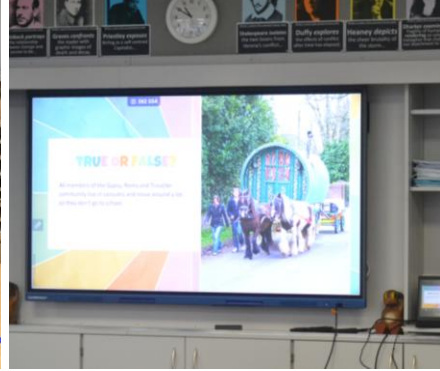

As a school, we are committed to ensuring that every student feels seen, valued and included. These Cultural Celebration Days were a wonderful reflection of our shared values and demonstrated how education can play a powerful role in building understanding, strengthening community connections and promoting a strong sense of belonging for everyone.

We would like to thank all our workshop leaders, staff and students whose enthusiasm and participation made these events such a memorable and enriching experience. The days served as a powerful reminder that our diversity is one of our greatest strengths and that, by learning from one another, we continue to build a school community where everyone can thrive.

Mrs Fletton

Culture Day Cont'd

Do you know what your children are studying next year?

We believe that the strong partnership built between school and home is a fundamental reason for students' success at Bishop Stopford School.

It is important, therefore, that parents and carers have a clear understanding about what topics and skills their children will be learning in each of their subjects and across the wider curriculum.

This will enable you to offer support, wherever possible, and should stimulate some regular and interesting conversations at home about teaching and learning.

With this in mind, we feel it would be useful to remind students and parents that we produce a Curriculum booklet each year for students in Years 7-11. These outline what the year will look like across individual subjects and other lessons.

These booklets were issued to parents this week and can also be found in the Curriculum section of our website. We do not currently provide a booklet for Years 12 and 13, but detailed information on individual subject content is provided in the Curriculum pages on the Sixth Form section of our website.

We will also continue to update the Termly schedules which we have put together this academic year. The schedules for the Autumn 2026 term are now on the website alongside the Curriculum Booklets.

A link to both the Curriculum Booklets and the Termly Schedules can be found below:

[Curriculum Booklets and Termly Schedules - Bishop Stopford School](#)

Mr Kirke

Graduation News

Congratulations to Orla Gulla (Duffy) for graduating from the University of Lincoln with a BA (Honours) in English (2:1).

If you know of any former student who has graduated, please be in touch with us so we can celebrate their achievements in our Newsletter: send to enquiries@bishopstopford.com with 'Graduation News' in the subject line.

Mrs Peach

Changes to Free School Meals (FSM)

What is changing?

Expanded entitlement for families on Universal Credit

From the start of academic year 2026 to 2027, all children in households receiving Universal Credit will be entitled to free school meals, regardless of earnings.

Going forward, there will be two types of eligibility:

- **Targeted FSM:** for households in receipt of universal credit earning £7,400 or less (includes free meals and additional support such as pupil premium).
- **Expanded FSM:** for households in receipt of universal credit earning above £7,400 (free meals only)

End of transitional protections

Since 2018, some children have continued to receive free school meals, even if their family circumstances changed during the rollout of Universal Credit. This is referred to as transitional protections.

Now that entitlement is being expanded to all families on Universal Credit, these protections will end at the end of the 2025 to 2026 academic year.

This means:

- Some children may no longer be eligible from the start of the 2026 to 2027 academic year if their family does not receive Universal Credit or another qualifying benefit
- Eligibility will now be based on current benefit status

What you need to do

Based on new government guidelines you will now need to re-verify your eligibility annually (between 1 July & 30th September) and you will receive an outcome of eligible- targeted, eligible-expanded or not eligible. This applies to ALL families.

North Northants:

Applications must be made through the Parent Portal. You will need to create an account:

<https://northnorthamptonshire.synergy.hsc.accesscloud.com/SynergyWeb/>

West Northants:

Please complete the online application form:

[Free school meals and pupil premium | West Northamptonshire Council](#)

If you have any questions regarding these changes, please contact me: pnorwood@bishopstopford.com.

Mrs Norwood

Attendance Success

We're delighted to share that Bishop Stopford School is **first in the county** for attendance and in the top 10% of schools nationally. We are incredibly proud of this recognition as it speaks to the excellent partnership between school and home and the strength of belonging felt by students.

Thank you for your support in making this happen: for the high expectations, cajoling and encouraging, clear communication and myriad other ways that you demonstrate our shared belief in the importance of high attendance.

We will continue to work with families, striving always for the highest level of attendance because we know it has a demonstrable impact on student wellbeing and outcomes.

We wish you a restful summer break and look forward to welcoming students back to school in September.
