

Equipment List

Students need to be ready and prepared for their learning. We have a recommended list of equipment for students. In addition to this, subject specific requirements may be additional at Key Stages 4 and 5. Students will be informed by their subject teachers if this is the case.

If a student needs new stationery, they can buy this at cost price from the Library.

- Pencil case
- Black pens or suitable writing equipment
- Green pen
- Pencils
- Coloured pencils
- Rubber
- Sharpener
- Clear plastic ruler
- Highlighters
- Glue stick
- Compass
- Protractor
- Scientific Calculator (available from school as advised by the Maths department.)

If families are experiencing financial hardship, school is likely to be able to help. Please contact the Finance Department finance@bishopstopford.com.

Students must never bring in an item with a blade – no matter how innocent it may seem. This will result in a suspension. If students require items of this nature for a specific curriculum reason, these will be provided by the teacher.
