

EXTRA-CURRICULAR ACTIVITIES & ENRICHMENT

We have lots of opportunities for you to get involved. No previous experience is necessary, so come along and continue with an activity which you have done previously or give something new a go!

- Extra-Curricular Practices are open to all students and for full details of what is going on, please see the Extra-Curricular PE and Sport Timetable published at in September.
- These will be given to your form tutors and displayed on the PE Notice board.
- These usually run at lunchtime but some will take place afterschool.

We strongly suggest that you bring a packed lunch or a Grab & Go Lunch from the canteen at Breaktime on these days so we can get going quickly to maximise you involvement & activity time.

SPORT & HOUSE GAMES

We offer many competitive sport opportunities at BSS.

We run and play inter school fixtures in various sports (see below).

We also run a House Games system where you will get an opportunity to take part in various activities. The House Games take place 3 times a year in  Winter, Spring and Summer.

The current House system involves two tutor  groups joined together to form our Houses in PE.
