Policy Statement

These values contribute to our common purpose of “Striving for high quality education with a strong Christian ethos”, and as such underpin the Academy’s approach to wellbeing.

Background: The Public Sector Equality Duty came into force in April 2011 as a consequence of the Equality Act (2010). It extends the previous responsibilities placed on schools to eliminate discrimination on grounds of Race, Disability and Gender to cover additional “protected characteristics”, namely Age, Sexual Orientation, Religion and Belief, Pregnancy and Maternity and Gender Reassignment. Schools and academies must have due regard to the need to eliminate discrimination, advance equality of opportunity between people who share a protected characteristic and the rest of the school community and foster good relations across all characteristics.

Bishop Stopford School is committed to:

- treating all individuals with equal value and worth;
- eliminating discrimination, harassment, victimisation and any other conduct which is prohibited by the Equality Act 2010;
- advancing equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it;
- fostering positive attitudes and good relations between persons who share a relevant protected characteristic and persons who do not share it (i.e. tackle prejudice and promote understanding);
- taking such steps as are reasonable to remove or minimise disadvantages suffered by persons who share a relevant protected characteristic that are connected to that characteristic;
- taking such steps as are reasonable to meet the needs of persons who have a relevant protected characteristic which are different from the needs of persons who do not have it;
- ensuring that recruitment, retention and development of staff follows equality principles;
- considering equality implications before and at the time that policies are developed as well as keeping them under review on a regular basis;
- ensuring all marketing activities and procurement processes meet equality and diversity best practice;

The current version of any policy, procedure, protocol or guideline is the version held on the Bishop Stopford School internet. It is the responsibility of all staff to ensure that they are following the current version.

This Policy should be read in conjunction with the Equality Act 2010, Academy's Behaviour Policy, Recruitment Policy and SEND Policy.

Appendix 1 – Objectives

The Academy is committed to promoting the welfare and equality of all members of its community. To achieve this, the Academy has established the following objectives. The Academy will:

- Monitor the curriculum and make changes where need is identified to ensure good outcomes for students in all vulnerable groups;
- Implement effective strategies to support students in all vulnerable groups;
- Continue to explore the use of new technologies to support students in all vulnerable groups in accessing their learning.

In order to meet our objectives, the Academy has identified the following priorities:

- Take reasonable steps to ensure that students are able to take part in extra-curricular activities and educational visits, and the Academy will monitor uptake of these visits to ensure no one is disadvantaged on the grounds of a protected characteristic;
- Students are educated about prejudice and learn that all forms of prejudice-motivated bullying is taken seriously and dealt with in accordance with the Behaviour Policy (Sanctions and Rewards);
- Teaching and learning will be structured in such a way as to meet the needs of all students
- Ensure continued allocation of specific roles where this is appropriate to support fair access (e.g. a Special Educational Needs and Disabilities Co-ordinator)
- Ensure there is adequate access to the physical environment of the Academy;
- Seek the views of its own community and para-professionals on matters relating to equality.

Appendix 2 - Addressing prejudice-related incidents

The Academy is opposed to all forms of prejudice and understands that those who experience any form of prejudice-related discrimination may fare less well in the education system.

The Academy acknowledges that students are in a critical learning and developmental stage of life and there will, from time to time, be incidents of unwelcome prejudicial behaviour. Leaders will ensure that students and staff are aware of the impact of prejudice, and will sanction and provide appropriate learning opportunities for those who act prejudicially.

Appendix 3 - Curriculum

All students will be entitled to access a broad and balanced curriculum and to teaching and learning opportunities which meet their needs, including extra support where this has been identified as a statutory need.

When planning and delivering the curriculum, the Academy will take every opportunity to uphold and advance equality.

The Academy will develop appropriate curriculums for students in vulnerable groups. The Academy will ensure the Wider Curriculum (eg PSHE, assemblies, tutorials) is designed for students to develop their knowledge of the world and the importance of equality. These will enable students to engage with British Values as embraced by the Core Values of the Academy.

Appendix 4 - Employment Provisions

The Academy is committed to providing equality of opportunity for all and ensuring that all stages of recruitment and selection are fair. All staff appointments and promotions will be determined on the basis of merit, ability and in compliance with the law

Recruitment and selection procedures will be reviewed on a regular basis.

Where a candidate is known personally to a member of the selection panel it will be declared before shortlisting takes place. It may then be necessary to change the selection panel to ensure that there is no conflict of interest and that equal opportunities principles are followed.

As an employer, the Academy strives to ensure that discrimination and harassment is eliminated in employment practice, actively promoting equality across all groups within the workforce.

The Academy will not discriminate against a potential employee in relation to protected characteristics.

With regards to existing employees, the Academy will not discriminate against an individual in respect of the benefits, facilities and services it offers including training opportunities, promotion or dismissal (including discipline and suspension).

The Academy will make reasonable adjustments in relation to disability for employees or potential employees, and will ensure that staff with disabilities have access to support (physical, structural or other adaptations) where these are reasonable adjustments and to alleviate disadvantage.

Appendix 5 - Collecting and using information

The Academy will collect equality information for the purpose of:

- Identifying key issues, e.g. unlawful discrimination in teaching methods;
- Assessing performance, e.g. benchmarking against similar organisations locally or nationally;
- Taking action, e.g. adapting working practice to accommodate the needs of an employee with a protected characteristic.
